Li Jiang: Hello?

Investigator: Hey, hello!

Li Jiang: Hello, Hello?

Investigator: Hey, hello, can you hear me? Is this...

Li Jiang: Who's this?

Investigator: This is Tianjin First Central Hospital, right? Uh, Liver Transplant?

Li Jiang: Right.

Investigator: I'd like to ask, is Dr. Pan, Pan Cheng, available? Are you Dr. Pan?

Li Jiang: No, I'm not.

Investigator: Ah.

Li Jiang: How can I help you?

Investigator: I'd like to consult with you. My sister's, my cousin from my aunt's family, needs to have a liver transplant. I'd like to ask, because I found your hospital on the Internet, and found that you've been doing it very well. Uh, yeah, I want to know, if we go to your hospital for the transplant, how long will we have to wait and get it done? Because we're from Shenyang, it's kind of far to go there, that is...

Li Jiang: Oh.

Investigator: How long will we need to wait? Eh.

Li Jiang: Did you mean to say that you'd like to have Director Pan as your only surgeon? Do you just need consultation or what?

Investigator: Yes, I think that Director Pan has done a good job. I've checked online that his success rate is quite high, so I wonder if Director Pan can do it (for us), and how long will we have to wait, if he is to do it himself...

Li Jiang: Well, we have so many, so many, so many directors, so you go for Director Pan only?

Investigator: Pan Cheng, well, if you have a better one to recommend, I would appreciate it very much!

Li Jiang: Uh.

Investigator: Well, who else is there?

Li Jiang: Director Jiang can do it as well. He can do it.

Investigator: Director Jiang? There is one named Jiang Wentao, right?

Li Jiang: Eh, that's Jiang Wentao, yeah, Jiang has done a lot more than Pan.

Investigator: Ah, good, that's even better.

Li Jiang: Yes, I'm one of the doctors under him (Jiang).

Investigator: Oh, that's great!

Li Jiang: You write down my phone number.

Investigator: Okay.

Li Jiang: 138

Investigator: 138

Li Jiang: 2046

Investigator: 2046

Li Jiang: 7210

Investigator: 7210, it's 13820467210, right?

Li Jiang: Yes. My last name is Li, uh.

Investigator: Excuse me, what's your last name?

Li Jiang: If you have any (questions), uh, if you need to get admitted into the hospital or consult about anything, you can call this number at any time.

Investigator: How may I address you?

Li Jiang: My last name is Li.

Investigator: Uh, your last name is Li, and what's your first name? Or just call you Doctor Li?

Li Jiang: Li Jiang, Jiang as in "Changjiang".

Investigator: Then I'd like to ask, can we get admitted in your hospital once we get there? Can we get it done?

Li Jiang: You have to book a bed in advance. There is a shortage of beds right now.

Investigator: Really?

Li Jiang: If you, if you decide to come, if you come, I will find a bed for you.

Investigator: Ah.

Li Jiang: The number (you're calling), it's a public number meant for everyone. It, it, it can't be tied up like this for too long. You, you can call my cell phone, okay?

Investigator: Ah, that's fine, thank you.
