The following is an excerpt from the recorded conversation between a WOIPFG investigator, disguised as “a member of the Wang Lijun inter-departmental investigation team,” and Chen Rongshan, retired director of the Urological Surgery Department of the PLA No. 205 Hospital of Jinzhou City. Chen Rongshan admitted that the organ transplant donors were detained Falun Gong practitioners, and that the court has approved this.

Chen: “Hello?”

Investigator: “Hello, is that Chen Rongshan, former director of the Urological Surgery Department of the PLA No. 205 Hospital?”

Chen: “Yes, yes, yes, who is that?”

Investigator: “I’m from the Wang Lijun inter-departmental investigation team.”

Chen: “Ah, ah, ah.”

Investigator: “When Wang Lijun was at the Jinzhou Public Security Bureau, he was in charge of the On-Site Psychological Research Center. The center had some joint projects with the PLA No. 205 Hospital. Can you tell me more about the projects?”

Chen: “Oh.”

Investigator: “He had a project called ‘Research on Organ Transplantation from Donors who have been subjected to Drug Injection.’ The PLA No. 205 Hospital was their partner. Please tell me more about this project.”

Chen: “Ah.”

Investigator: “What I am asking is whether you have cooperated together?”

Chen: “China Medical University also partnered with them.”

Investigator: “Wang Lijun told us that some organ donors were jailed Falun Gong practitioners. Is that true?”

Chen: “Those were arranged by the court.”

Investigator: “By the court, right?”

Chen: “Yes, yes.”

WOIPFG: “That is to say that the organs were provided by prisons and labor camps?”

Chen: "Let me say something, don't talk about this matter with me, okay?"

WOIPFG: "Because we are now..."

Chen: "If you want to talk to me, contact the Political Department of the PLA No. 205 Hospital first. Okay?"

WOIPFG: "Well, we've already discussed this with them before talking to you."

Chen: "No, no, you, the Political Department hasn't called me. I cannot, cannot, okay?"

WOIPFG: "They...well, the telephone number is the same."

Chen: "They must call me first, okay?"

WOIPFG: "We've already talked to them."

Chen: "Ask someone from the Political Department to call me."

WOIPFG: "We've already contacted with Director Lin from the Political Department."

Chen: "That won't work. We have disciplines in the military. If you want to discuss certain matters, you must first talk to the Political Department, then someone from the Political Department must call me. Alright?"

WOIPFG: "He told me to contact you directly, so..."
