Founding Statement: New Zealand Branch

May 15, 2004

The World Organization to Investigate the Persecution of Falun Gong, New Zealand Branch, announced its establishment on May 15, 2004 in Auckland. The New Zealand branch will follow the mission statement of WOIPFG headquarters in North America:

"To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society."

The New Zealand branch will focus on investigating the institutions, organizations, and individuals involved in the persecution of Falun Gong practitioners who are New Zealand citizens; and/or are family members of New Zealand citizens. It will investigate the criminal conduct of Jiang Zemin's regime and its followers who try to extend the persecution of Falun Gong to New Zealand soil. It will utilize all proper channels including litigation to bring the perpetrators to justice whenever possible.
