The Department of Kidney Transplant, right?

Nurse: Yes.

Investigator: Excuse me, I'd like to know if Dr. Huang Xianen is available.

... ..

Huang Xianen: Hello!

Investigator: Hi, how are you? You are Director Huang, aren't you?

Huang Xianen: Yes.

Investigator: Hi, one of my friends recommended you to me, and this is my situation: I have a family member who needs a kidney transplant. He had wanted to have it done in April, but because of this pandemic, he had to stay home. And now he wants it done again. I would like you to tell me about the procedure. Should I take the patient to you, or just his medical report?

Huang Xianen: You bring the report over first, and his ID.

Investigator: Okay.

Huang Xianen: Bing the copies as well.

Investigator: Okay.

Huang Xianen: Fill out the forms first, and, when done, register, okay?

Investigator: Okay, that's no problem. May I ask you, Director Huang, if everything is fine, how long does he have to wait before surgery?

Huang Xianen: If the matching is good, it will be fast; if the matching is not good, the waiting time, I guess, could be very long.

Investigator: If I had come during the pandemic... were you doing it during the pandemic?

Huang Xianen: Yes, we were.

Investigator: You were doing it during the pandemic?

Huang Xianen: Yes, yes.

Investigator: I wanted to ask you something. That is, if the patient needs to stay in the hospital, the bed can be immediately arranged, is that right?

Huang Xianen: Everything, everything...everything will be ready when you are notified. No worries, okay?

Investigator: Oh, okay. Director Huang, are you going to be the chief surgeon? Are you going to be the chief surgeon?

Huang Xianen: Oh, right, right.

Investigator: How many cases have you done this year?

Huang Xianen: We've done a total of more than 40 cases here.

Investigator: Oh, you've done a total of more than 40 cases. That is good, indeed.

Huang Enxian: Yes, yes, yes.

Investigator: And I also wanted...I have one last question...

Huang Xianen: Okay now, I have no more time, okay?

Investigator: Director Huang, it's about issue of quality. Can you help ensure it?

Huang Xianen: I'll try, but doing this always has risks, you know that?

Investigator: Yes, I know there are risks. I came because of your reputation. I wanted you to do me a big favor, and that is, I just wanted the kind that practices Falun Gong, the ones that don't smoke and drink. For those, I am willing to pay any amount. Is that possible?

Huang Xianen: Oh, okay, okay, okay. Let's talk about it later, okay?

Investigator: Oh, okay. I appreciate it, Director Huang. I'll see you on Monday, right?

Huang Xianen: Yes, alright.

Investigator: Okay, good. Thank you.

Huang Xianen: Sure.

Investigator: Okay, bye!
